Scientists, researchers, medical doctors, professionals of social services.

Format of the Conference

The Conference will be held as a series of oral reports, presentations and workshops by the leading home and foreign gerontologists. Academic papers will be published as Conference Proceedings.

Submission Deadline

Conference materials should be submitted by **1 March 2020**.

Registration and Submission

The applicants are required to complete [online registration](#) and submit required Conference materials by [uploading files](#) to our website by **1 March 2020**.

The **Abstract** to your article should be signed by all co-authors and submitted separately in one of the following file formats: pdf, jpg, bmp, tiff.

IMPORTANT: The Conference materials submitted after the deadline will not be accepted.

Guidelines and Requirements

The article should be preceded by the Abstract (1 500 – 2 500 characters).

The title should be typed in bold capital letters with a centre alignment. Below the title, in one-line space and centered, should be the initials and family names of the authors. Below that, in one-line space, centered and in italics, are the name of institution, city, country, and an e-mail address of the author in charge of correspondence.

The size of the article, whether it is in English or in Russian, should not exceed 4 pages (7 000 – 14 000 characters). Document format: MS Word (.doc). Font: Times New Roman. Letter size: 12 pt. Line spacing: single. Paragraph: 1.25 cm. Left and bottom margins: 3 cm. Right and top margins: 2 cm.

The article should be structured and sub-titled: Introduction, Materials and Methods, Results and Discussion, Conclusion, References.

The reference sources mentioned in the text should be put in square brackets. Footnotes or/and headers are not allowed. Figures and tables with the titles should be placed in the text. The number of figures per article should not exceed three figures.

The Conference materials that do not follow the above requirements or/and submitted after the deadline will not be accepted. The author holds all responsibility for the academic content and scientific language of his/her article.

Important Dates and Deadlines

Registration and paper submission: **1 March 2020**

Attendance confirmation: **10 March 2020**
